LETTER

Assistant Commissioner of Patents and Trademarks for Patents
Box/Amendment
Washington, D.C. 20231

It is respectfully requested that the holding of abandonment be withdrawn. A response to the 22 June, 2000 Office Action was timely filed and receipt of that response was acknowledged (a complete copy of the response and return postcard acknowledging the response follow.)

The serial number of a companion Sims application, for which a response was being prepared at the same time as the response for this case, was inadvertently used in the response. However, the amendments made in the Amendment part of the response for this application makes it clear that the response was indeed intended for this application. Therefore, it is respectfully suggested that the response should be renumbered and added to this application and that the holding of abandonment should consequentially be withdrawn.

Signed at Seattle, Washington this 7th Day of March 2001.

Respectfully submitted,

STEVEN C. SIMS
